

Dear Applicant

Thank you for your interest in applying for the position of Science Teacher at CP Riverside School. This is such an exciting time for us and I am thrilled that you share our vision and passion for alternative education and supporting young people.

As part of our application process, you will need to complete our application form as well as submitting a letter of application of no more than two sides of A4. Your letter of application should detail:

- why you want to join our team,
- your relevant experience of working with disengaged young people aged 13-16 years,
- your experience of delivering Science across a variety of levels to meet the needs of students, and
- why quality assurance matters.

I look forward to receiving your application. Please ensure your application reaches us by midday on **Thursday 10th May**.

Successful shortlisted candidates will be contacted directly by Thursday 17th May. Interviews are scheduled all day on Thursday 24th May.

If you require more information about the school, the position or the team at CP Riverside please do not hesitate to contact us on 0115 9864098.

Yours sincerely

Fiona Derrick
Principal

Creating possibilities through alternative education
