

Job Description

Role	Science Teacher
Salary range	£22,917 to £33,492 per annum
Job Purpose	To deliver outstanding teaching and learning and manage the development of Science
Responsible to	Head of School - Teaching and Learning

Principle Responsibilities

1. To plan, resource and deliver lessons which capture the interest and enthusiasm of students and also enable them to make rapid progress
2. To lead the development of appropriate syllabuses, resources, schemes of learning, policies, assessment and teaching & learning strategies
3. To monitor and support the progress and development of students
4. To lead the curriculum development of Science
5. To teach a second subject area

A CP Riverside Teacher will

- Have high aspirations for all their students
- Provide exciting and interesting challenges to students
- Have student centered learning at the heart of their planning
- Ensure all levels of need are carefully considered from which appropriate and demanding expectations can be set
- Use a range of interactive learning strategies that maximise student engagement
- Ensure that literacy and numeracy are at the heart of lesson planning, delivery and assessment
- Use ICT in an exciting and interactive way
- Persevere and focus on what can be done, rather than on what cannot
- Use positive discipline to ensure a purposeful learning environment is sustained to maximise student progress
- Use data and systems to help inform and record progress to change a student's flight path
- Share good practice, lesson plans, resources and successes
- Commit to developing CP Riverside's effective teaching behaviours through practice, peer observation and a programme of continuous professional development

Key Responsibilities of all Staff

- To support the School's ethos and vision.
- Endeavour to give every student the opportunity to reach their potential and meet high expectations.
- Positively engage with continuous professional development and the CP Riverside's appraisal process
- To contribute to school events as and when required.
- To be aware of the school's duty of care in relation to staff, students, visitors and to comply with all safeguarding and health and safety policies at all times.
- To be aware of and comply with the codes of conduct, regulations and policies of the school and its commitment to equal opportunities and British values.
