Are you a highly skilled teacher looking for the next step in your career?

This role will give you the opportunity to refine your classroom practice and develop your leadership capabilities through leadership of the English team or a whole school responsibility. CP Riverside School is seeking to appoint a well-qualified and highly skilled English teacher who has the ability to motivate and inspire young people who have struggled to progress and achieve in a mainstream school.

You will report directly to the Vice-Principal Curriculum and Achievement and will have the opportunity to lead an area you are passionate about such as KS3 achievement or teaching and learning CPD. We are able to offer further training and development through the East Midlands Education Trust.

English is a core subject in our school that many students enjoy. This curriculum area currently offers functional skills at Entry level up to level 2 and AQA GCSE English. It is vital that all of our young people gain the necessary skills and qualifications in order to compete and thrive in the world of work. We have a dedicated team including two teachers and a teaching assistant.

The ability to deliver a second subject is desirable.

CP Riverside has 56 student places. The school is located in Nottingham City in a newly refurbished building on Riverside Way. We are looking to recruit a new member to our team of dedicated individuals who will contribute to achieving outstanding alternative education.
