Thursday, 23 June 22	Combined Sci - Physics	AQA	Paper 2	AM
Monday, 27 June 22	Polish	AQA	Writing	AM

### 29 June is contingency day

This is a day set by the awarding bodies to hold any examinations that have had to be cancelled due to a national issue. All students need to make sure they are available up to and including this date - unless they have already completed all the examinations they have been entered for.
