CORONAVIRUS LATEST

As a School, we are following Government advice closely, and will update this information to you as the situation develops.

At the moment, the school is not affected in any way and it is business as usual.

We have today made students aware about good hygiene practice.

We are currently planning how we can continue to support students with examination work, in the event that at some point schools are instructed to close. We will send any information to parents in the event of a school closure.

The Department for Education has launched a new helpline to answer questions about COVID-19 related to education. Staff, parents and young people can contact the helpline as follows:

Phone: 0800 046 8687

Email: DfE.coronavirushelpline@education.gov.uk

Opening hours: 8am to 6pm (Monday to Friday)

The latest information can be found at:
